The map shows a topographic representation of a mountainous region. Key features include:

- Contour Lines:** Orange lines indicate elevations of 730, 760, and 790. Green lines indicate elevations of 786, 800, and 830. A blue line follows a ridge, and a pink line follows a valley.
- Black Line:** A black line with points 1, 3, 4, and 5 is drawn across the map. Point 1 is on the right, point 3 is at the bottom, point 4 is in the upper left, and point 5 is in the upper right.
- Other Markers:** A red '0' is on the left, and a green '1' is at the bottom left.
